ADDITIONAL SHEET CONTAINING STATEMENT ESTABLISHING UNINTENTIONAL DELAY

The Honorable Commissioner of Patents and Trademarks
Washington, D.C. 20231

Dear Sir:

Please attach this statement to the petition to revive an unintentionally abandoned patent application, which was filed on January 24, 2007 for the above identified application. I, the Applicant's Attorney, was unable to timely file the response to the office action, and was delayed in filing the petition to revive the unintentionally abandoned application because of a deteriorating health condition which resulted in a heart attack. Due to my health problems, my office was temporarily closed, and was later opened for limited time periods during recovery. I filed the petition as soon as I was physically able to. Please contact my office if you have any questions related to this matter

Respectfully submitted,

By:

John C. Smith, Reg. No. 33,284
